The Cranford Historic Preservation Advisory Board (HPAB) was established in 1993 by the Township of Cranford. HPAB's goal is to maintain Cranford's unique character while recognizing the homeowners' right to create a home reflecting their style. Our mission is to aid in the preservation of Cranford's architectural heritage through documentation of significant structures, education of the public as to the value of preservation, and advise the Township on laws and activities impacting preservation.
